

FISCAL NOTE

HB 2234 - SB 2172

March 16, 2007

SUMMARY OF BILL: Authorizes the release of information from the Controlled Substance Database by the database manager or by password protected internet access.

ESTIMATED FISCAL IMPACT:

Decrease State Expenditures – Not Significant

Assumptions:

- Currently, information disseminated to any health care practitioner or pharmacist is sent on Controlled Substance Database Advisory Committee letterhead and is signed by a member of the committee.
- This will allow information to be disseminated by the Executive Director of the Board of Pharmacy or through password protected internet access.
- Such will not significantly decrease expenditures of the Advisory Committee under the authority of the Board of Pharmacy.

CERTIFICATION:

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

A handwritten signature in black ink, appearing to read "James W. White". The signature is fluid and cursive, with the first name "James" written in a larger, more prominent script than the last name "White".
